## WORLDWIDE COILED TUBING UNIT COUNT

### Historical Data

Although the data contained in this report has been collected from sources believed to be reliable, no warranty, expressed or implied, is made regarding accuracy, adequacy, completeness, legality or reliability of any information. This data is received voluntarily from numerous sources for the sole purpose of providing statistical information for the coiled tubing industry. If you find any errors or omissions, we encourage you to report them to Kenny Newman (kenny@newmarketman.com).

The ICoTA Board of Directors would like to give a big thanks to Les Tomlin for his tireless efforts and commitment over the past several years in seeing this project through. We also want to give thanks to those companies and individuals who have worked with Les over the years by providing the much needed information to complete this report. Starting in 2015, the report will be compiled by Kenny Newman of New Market Man.
