

The 19th International Scientific and Practical Coiled Tubing, Hydraulic Fracturing and Well Intervention Conference

Novotel Moscow City Hotel, Moscow, Moscow Hall

The Event is supported by the Ministry of Energy of the Russian Federation

CONFERENCE PROGRAM

Thursday, November 8, 2018

09.00–10.00 Registration of participants

09.30–10.00 Coffee Reception

10.00–10.10 Formal Opening of the Conference

10.10–12.00 Session 1

Prospects for Russian Downhole Equipment Market till 2030. Vadim Kravets, Head of Analytics Group, RPI Research & Consulting

Coiled Tubing – Challenges Today. From Tasks to Equipment. Sergey Simakov, Chief Specialist of the Integrated Solutions Department for downhole treatment unit of the Design and Functional Support for Assets of GAZPROMNEFT NTC, LLC

Responding to Challenges. Perspective Directions of Coiled Tubing Equipment Development from NOV FIDMASH. Yury Belugin, Chief of Sales and Promotion Department, NOV FIDMASH

Comprehensive (Integrated) Approach in Implementation of Services of Packer Service. Kamil Karimov, Director of Business Development and New Technologies, Packer Service, LLC

Experience and Optimization Technology Multi-Stage Fracturing with Coiled Tubing on Oil Leg and Floating Reservoir Areas. Anatoly Kichigin, Schlumberger

12.00–12.25 Coffee break

12.25–14.15 Session 2

Sponsor of the Session is Novinka, CJSC

Flaw Detector, as Means of Optimizing Timing of Coiled Tubing Use and Preventing Emergency Situations when Working with Coiled Tubing Equipment. Alexander Veremeenko, Leading Electronics Engineer, Novinka CJSC

Application of Plug & Perf Technology for Multi-Stage Fracturing in Horizontal Wells. Pavel Demakin, Deputy Director for hydraulic fracturing, LeninogorskRemService, LLC

Fastening Wells with Continuous Cementing Liners, with Assembly of Multi-Stage Fracturing by Spherical Technology. Anton Puerov, Chief Technologist, “Scientific and Technical Center” ZERS

General Sponsor of the Conference: **Fidmash | NOV** Completion & Production Solutions

Official Sponsor of the Conference: **Schlumberger**

Sponsors of the Conference: **СЗАО НОВИНКА**  **ГРУППА ФИД**
ИННОВАЦИОННОЕ ОБОРУДОВАНИЕ

Award Ceremony Sponsor:

Quality Tubing
NOV Completion & Production Solutions

Partner of the Conference:

The 19th International Scientific and Practical Coiled Tubing, Hydraulic Fracturing and Well Intervention Conference

CONFERENCE PROGRAM

Creation of Competitive Production of CT in Russia. Ruslan Saldeev, Sales Director, EngelsSpecTrubMash (ESTM), LLC

CT Fatigue and Inspection. Ken Newman, P.E. President, ATHENA Engineering Services, USA

 **14.15–15.00** Lunch

15.00–16.50 Session 3

Trends in Hydraulic Fracturing from North and South American Shale Plays. Alex Sheehan, Vice President – Marketing Global Tubing

Hydraulic Fracturing – from Tasks to Equipment. Yury Belugin, Chief of Sales and Promotion Department, NOV FIDMASH

Features of Development of Ach6 Object at Imilorskoye Oilfield Using Technologies of Multi-Stage Fracturing. Problems, Technological Solutions. Alexander Bukharov, Chief Specialist of the Center of LUKOIL-Engineering KogalymNIPIneft in the city of Tyumen

Well Completion Equipment Produced by EWS. Alexey Tolmachev, Business Development Manager, EWS

Experience in Performance of Well Interventions with Geophysical Cable at Oilfields of Northern Caspian. Vadim Kuchukov, Business Development Manager, WellTec Oilfield Services (RUS)

 **16.50–17.10** Coffee break

17.10–18.40 Session 4

Field Performance of New Coiled Tubing for Europe Interventions. Timur Sabitov, Sales Eastern Hemisphere Pipeline CRA. Tenaris Coiled Tubes, LLC

Possibility of Implementing Hydraulic Fracturing Technology with LPG on Territory of Russian Federation. Vadim Tsygankov, Ph.D. Head of the Laboratory of Process Fluids for the Intensification of Production, The I.M. Gubkin RSU of Oil and Gas

Innovation Products from Shinda Company, ICCT – Intelligent Cable and Coiled Tubing Products. Lin Yue Qing, General Manager, SHINDA (Tangshan) Creative Oil & Gas Equipment Co., Ltd. (Huatong group)

Investment Projects in Oil and Gas Sector. Ernest Igilov, Head of Fuel and Energy Complex interaction, Technostroyleasing, LLC

 **18.40**

Rewarding of the best speakers of the first conference day

The 19th International Scientific and Practical Coiled Tubing, Hydraulic Fracturing and Well Intervention Conference

CONFERENCE PROGRAM

19.00–22.00

Formal evening reception.

Intervention Technology Award presentation

Presentation of Certificates to new members of ICoTA–Russia

Rewarding of the best authors of Coiled Tubing Times Journal 2018

Friday, November 9, 2018

09.30–10.00 Coffee Reception

10.00–11.50 Session 5

Investigation of Wells at Povkhovsky and Yuzhno–Vyintoisky Oilfields in Western Siberia Using Quantum PLT Marker Diagnostics. Kirill Ovchinnikov, Technical Director, GeoSplit Company

Tubing Forces and Extended Reach. Ken Newman, P.E. President, ATHENA Engineering Services, USA

Stimulation of Wells with Reservoir Pressure Maintenance in Korchagin Oilfield. Mikhael Lobov, Schlumberger

Modernization and Technical Solutions Downhole Tool Quality. Yury Shtakhov, Head of the Department for the Development of Technical Equipment, RosTEKtekhologii NPP, LLC

Non-Polymer Viscosity Regulator (Viscoelastic Surfactant) and Corrosion Inhibitor for Acid-Proppant Fracturing. Anton Elsukov, Deputy Technical Director, New reagents, POLYEX Company

11.50–12.10 Coffee break

12.10–14.00 Session 6

Study of Effectiveness of Clay Swelling Inhibitor in Composition of Hydraulic Fracturing Fluid. Denis Malkin, Department Head, The I.M. Gubkin RSU of Oil and Gas, REC “Oilfield chemistry”/Vladimir Gubanov, Leading Researcher, The REC “Oilfield chemistry”

Alleviating Helical Buckling, and Enhancing Wellbore Cleanout. Gregg Zemke, Regional Business Development Manager, MENA. Oil States Energy Services

Downhole Work in Solving Complex Problems. Ivan Les, Deputy Head of the CT Service, Packer Service, LLC

Coiled Tubing Times Project is Primary Media Partner of ICoTA–Russia. Artem Gribov, Director of Strategic Development, Coiled Tubing Times Project

Discussion “**State-of-the-Art Oilfield Service**”

The 19th International Scientific and Practical Coiled Tubing, Hydraulic Fracturing and Well Intervention Conference

CONFERENCE PROGRAM

	14.00	Rewarding of the best speakers of the second conference day
	14.10	Formal Conference Closing
	14.20	Lunch
	16.00	Departure of participants

Conference Program may be subject to change.

Conference procedure: The duration of report is 20 minutes. Additional 3–5 minutes are reserved for questions.

Working languages are either Russian or English. Simultaneous interpretation will be provided. Do not forget to take a portable simultaneous interpretation system.

Dear colleagues, you are kindly asked to switch off your cell phones or keep them in silent mode during technical sessions.

In order to put a question to a speaker, please raise your hand. Our assistant will come to you and bring the microphone.

Since the program of the Conference is particularly intensive, you are kindly invited to ask only those questions that are directly connected with the given report. Individual questions can be asked during networking (informal meetings).

All financial documents will be available for obtainment at the reception desk during coffee and lunch breaks.

Presentations allowed to be distributed will be available through the hyperlink that will be emailed to all the Conference participants. Do not forget to leave your business card or e-mail address at the reception desk (where you were given your badge) in the designated space!

Photo book of the Conference will be available through the hyperlink that will be emailed to all the Conference participants. Do not forget to leave your business card or e-mail address at the reception desk (where you were given your badge) in the designated space!

A detailed report about the Conference will be published in Issue 66 of Coiled Tubing Times.

Abstracts of the main reports made during the Conference will be published in Issue 67 of Coiled Tubing Times.

Please keep your badge with you to get full access to all the Conference events.

The Organizers decline any responsibility for the safety of valuables left unattended in the Conference hall.
