

European Chapter

Thursday 11th June 2015
Clarion Hotel Energy,
Stavanger, Norway

Keynote speaker:
Jarle Haga, Manager, Drilling and Wells,
Talisman Energy Norge AS

One day seminar of technical presentations sharing experience, innovations and case studies focused on well intervention. An exhibition of the latest services and technologies in the intervention market and opportunities for networking complete this valuable day.

Open to ICoTA members and to non-members.
Cost: Members £150 / Non-member £160 including 2015 membership (no VAT)

Book online at www.rodgerandco.com
