

Thursday 5th June 2014
Stavanger Forum
Conference Centre
Norway

Attend this one-day seminar to learn about project successes, problems solved, new technologies and case studies. Network with colleagues and view the exhibition showcasing ICoTA members' intervention services.

If you are an oil and gas professional with an interest in well intervention, this seminar is designed for you.

Open to ICoTA members and to non-members.

Cost: Members £150 / Non-member £165 (no VAT)

Book online at www.rodgerandco.com
